

Parental Consent/Support Form

As the parent/guardian of _____, I fully support his/her application to be a part of the Westshore Young Leaders Network. I understand that this is a separate and stand-alone program from any other youth-led prevention program that my son/daughter may be involved in.

Furthermore, I understand that my son/daughter is encouraged to attend at least monthly meetings. As the parent/guardian of the above named student, I agree to assume that all necessary transportation arrangements are made.

Furthermore, I understand that occasionally Westshore Young Leaders events may take place during the school day. Education is of utmost importance and, therefore, it is my responsibility as well as the responsibility of my son/daughter that any time spent away from school be excused by the district and not harmful to the student's academic performance.

Furthermore, I understand that insurance coverage for accidents or illness while participating in any program or event with Westshore Young Leaders is the responsibility of the participant and/or family/legal guardian.

Finally, I give consent for my son/daughter to participate in the Westshore Young Leaders Network events and activities; which include, but are not limited to monthly meetings & in-school meetings. I understand that more information about such activities and events can be requested from School Prevention Specialist, Noreen Kyle at (440) 250-9916 or by email at web@cityofbayvillage.com.

I am interested in volunteering at Westshore Young Leaders events.

I would be interested in a Westshore Young Leaders parent group
